WHY BITE?

DESIGNED THOUGHTFULLY. CRAFTED LOVINGLY. PRESENTED BEAUTIFULLY!

BRINGING CUSTOM DESIGN, PRESENTATION, TASTE, AND VARIETY TO YOUR MEETING OR EVENT!

Our a la carte menu offers all the palate-pleasing panache of Bite Catering Couture in a format suitable for simpler company functions or personal gatherings that don't need full service catering. Our a la carte menu retains the characteristics our food is known for: it's beautiful, it presents well, it tastes good, it offers variety, and it is designed (with clear instructions) so that it's at its best when served (vs. at the point it was loaded into the delivery vehicle). Pricing is straightforward and packages are designed to help you provide an assortment of options easily.

We deliver directly to your office, meeting site or home in the greater Los Angeles area. We have packaged a number of our favorite items together to enable you to enjoy variety and satisfy various food preferences and dietary needs. The food comes ready to serve in disposable platters or packaging (some assembly and/or heating may be required) or we can provide servers and our own platters to give you the look and feel of a catered event.

Our Event Producers can help you select the right items and quantities for your specific event and setup – let us know how we can best help to make your event a success! We'd also love to talk to you about any more complex full service event needs, including chefs, rentals, etc.
